Icons of Japan 9 Days – FAQ

1. How much is the deposit?

The non-refundable deposit is \$450 per person and secures your spot in this limited-seats promotion.

2. What is the payment schedule?

- A non-refundable deposit of \$450 per person is due at booking.
- For those with airfare included tour package, a second payment of \$1,000 - \$1,500 per person is required either 180 days before departure or once the minimum group size is confirmed.
- The final balance is due 90 days before departure.
- Optional tours need to be booked and paid for 45 days prior to departure.

3. Why is a second payment required?

If you choose the package with airfare, a second payment of \$1,000 - \$1,500 per person is required. This payment is due either 180 days before departure or when the minimum group size is met.

Once the second payment is received, our ticketing team will start working on the international air ticket from your departure city to Osaka, Japan.

4. Why do we need to make the second payment so early?

Flights to Japan sell out quickly due to high demand. To secure your seat, we need the second payment to purchase your air ticket in advance.

5. What will the flight routing and schedule be?

Most flights will have one stopover, with a connection time of less than 5 hours. If your connection exceeds 5 hours or involves more than one stop, we'll confirm with you before ticketing. If you're departing from a city other than the tour's main gateway, we'll provide additional flight options.

6. Can I change, cancel, or upgrade my airfare after it's issued?

The airfare included in our packages is basic economy, which is typically non-refundable, non-changeable, and non-upgradeable. We recommend purchasing travel insurance to cover any unexpected situations. If you wish to upgrade, please notify us before submitting the airfare authorization form, as changes after ticketing are complex and costly.

7. How many checked bags am I allowed on my flight?

Most airlines include 1 free checked bag for flights to Asia, though some may charge \$100-200 per additional bag. Please confirm baggage allowance with our agent based on your specific airline.

8. What are optional sightseeing tours?

Optional tours are offered to travelers interested in additional sightseeing, meals or activities to supplement the included components of our tours. You may choose to participate in some, all or none of the optional tours which are priced individually. Complete descriptions and prices are listed with each program on our website.

9. When should I book the optional tours?

- Optional tours can be booked at reservation or up to 45 days before departure.
- Many of the optional tours require advance arrangements for hotels, coaches, tour guides, and other reservations, with some also needing a minimum number of participants. We highly recommend pre-booking the optional tours, which can be conveniently paid for by credit card.
- If an optional tour doesn't operate due to low participation or any other unexpected issues, TripOppo will notify you and issue a full refund to the original form of payment.

10. What are the benefits of upgrading to a superior hotel room?

Upgrading typically offers a significantly more spacious room, which is especially valuable in Japan, where hotel rooms tend to be compact. We highly recommend taking this option for just US\$149 for 5 nights to enjoy a much larger and more comfortable room.

11. How does the Hiroshima trip affect my schedule?

This tour can only be added at the time of booking or before your international ticket is issued, as it requires you to arrive in Osaka one day in advance.

12. What is included in the optional half-day or full-day tours?

All transportation, entrance fees, sightseeing, an English-speaking tour guide, and meals (where indicated) are included in the half-day or full-day tour options.

13. Can I purchase optional tours locally?

Yes, when traveling on an escorted tour, some optional tours may be purchased locally from the Tour Manager. However, TripOppo cannot guarantee the availability of these services when purchased locally. Tours purchased locally can only be paid by USD in cash.

14. Can I add optional tours for only select individuals on my reservation?

Yes. For assistance, please call TripOppo agent or email info@tripoppo.com for details.

15. Can I request additional hotel nights before or after the tour, or extend my stay?

Yes. For assistance, please call TripOppo agent or email info@tripoppo.com for details.

16. What do I expect on arrival?

Please note that the arrival transfer from Osaka Kansai Airport (KIX) to the hotel is not included, as the hotel is conveniently located just one station away. You can easily take a taxi for under US\$20, or opt for public transportation for less than US\$5 per person.

17. How to meet our tour guide?

Your tour guide will meet you in the hotel lobby on the day of your tour. The tour guide's contact information, along with a local emergency number, will be included in your tour documents, which you'll receive 10-14 days before departure. We highly recommend saving these numbers on your phone for easy access if needed.

18. What are the suggested gratuities?

In many Asian countries, tour guides and drivers largely depend on gratuities as a key part of their income. The suggested tipping for this 7night 8days tour is US\$126 per passenger including gratuities for tour guide, driver and bell boys. Most of the clients will choose prepay it as it can be paid by credit card and no hassle to bring too much cash to divide to different people.

24. What time do we leave each hotel? How much free time do we have?

On certain days, we'll need to depart from the hotel around 8 a.m. to avoid traffic. Our full-day tours are packed with activities, so there won't be much free time during the day. However, we do have two free days, allowing travelers to customize their own side trips.

25. When is the departure transfer from Tokyo Hotel to the airport?

The group transfer from the Tokyo hotel to Narita (NRT) Airport is scheduled for 2 PM on the return date. If this time or airport doesn't fit your travel plans, you will need to arrange your own transportation, such as taking an airport shuttle bus from the hotel or hiring a taxi.

26. Does Japan have decent English support?

While some areas and tourist spots offer English support, it's highly recommended
